HARTFORD, KY.

TESTIMONIALS.

We, physicians of Hartford, and Ohio County, Ky., knowing Messrs. Thomas & Kimbley to be gentlemen of integrity and financial responsibility for all they warrant, and knowing the ingredients which enter into the compound which composes their Pile Salve, we have no hesitancy in recommending it to the public as a good remedy for that prevalent disorder DR. TYLER GRIFFIN.

I have used and prescribed Messrs. Thomas & Kimbley's Pile Ointment n hundreds of cases, and with good effect and comfort to my patients, and believe it a good remedy for the above named disease.

Mr. Jas. A. Thomas, of the firm of Thomas & Kimbley, has exhibite to me a compound, the ingredients of which have proven to me as valuable remedies in certain diseases of the rectum JOHN E. PENDLETON, M. D.

I indorse the above certificate of J. E. Pendleton. S. A. JACKSON, M. D.

I know the component parts of Thomas & Kimbley's Pile Ointment, and in many cases think it a safe and reliable remedy. S. L. BERRY, M. D.

I have prescribed Thomas & Kimldey's Pile Ointment for hemorrhoids and am thoroughly satisfied of its good effects. J. S. MORTON, M. D.

This Salve, if the directions are strictly complied with, is WARRANTED to effect a cure. It will give relief in ten minutes. Give it a trial, and if not satisfactory, we pay back your money.

Price per box, 50 Cents.

THOMAS & KIMBLEY. Druggists. Hartford, Ky.

ish the manners of men. The masses never grapple with those profound and elatorate works on philosophy, science and morals which serve as a system of gymnastles to the human intellect. They are content to confine their readings and reflections to the superfield and cpienneral publications which are flying through the press like leaves torn from the trees by the autumnal winds. The daily newspaper, the weekly periodical and the monthly magazine furnish the staple of thought for the multinde in our day. And if these be charged wit's corrupt sentiments and false delireations of life the poison is conveyed to the heart of society and is thence elevated through all the veins and elevated through all the veins an conveyed to the heart of society and is thence elreulated through all the velns and arteries of the body politic. Moreover the masters of thought who are accessioned to dig down to the very foundations of things are glad to lay aside their heavier labors for a time and to make pleasure executsions into the green and flowery fields of fletion and to revel in the brillant and enchanting regions of poecy and romance. We know some of the clearest and freshest thinkers who find a feast in a good novel or well written serial. One hour with the Muses is an antidote for days of eare and gloom. He who gives me a fine thought clothed in royal apparel makes

I think a great impulse might be given in the right direction, without expense to the State and with very slight cost to the respective school districts.—I would suggest

ASHES FOR APPLE TREES.-When apple or pear trees become diseased from being planted in nufavorable or lil-preintelligent, industrious, law-abiding people, because money is earned easily, and all their products that a ready sale. These are the advantages of good schools. Facts which should be stated in the local papers, and at the annual meetings.

Circulate the printed page, and these results become familiar to all.

Dieing plauted in nufavorable or ill-prepared soil, or from lack of food, they are very certain to be attacked by insects, which if they were in healthy comiliation would probably be unknown. Certain washes, such as lye (a solution of potash), have been applied with success in destroying these insect and restoring the tree to health. But for our own practice we have for the last two years we want a wholesome and elegant more success, as it causes the old dead literature to refine the feelings, and polloark, the chosen hiding place of Insects, ish the manners of men. The masses to cleave off, leaving in its place a

and gloom. He who gives me a fine thought clothed in royal apparel makes me a better an happier man. He who produces a charming story, a sweet song, a rich poem or a beautiful paluting opens up to the world a new Paradise of Immortal fruits and thowers.—Rev. David Wills, D. D., in Stuny South.

DUR FUTURE FARMERS.—A writer in the Journal of Education, says:

It is of far more consequence than many think, whether the future farming population of our State and country is to be active, intelligent and progressive, or dull, ignorant, and without environments of annual many thoughts and interest as well in the surface can linease to the current with the Entomologic Society:

There is scarcely any land free from the wire worms, or any crop that is not subject to their voracity. They occur wherever grass will grow, belug particularly harbored among clover roots, and are always prevalent in meadow and pasture lands, seeming to thrive best in the vicinity of swamps and woods. Youngoats, wheat, rye and barley much from being partially or entirely cut off below the surface. Calbages and many root crops are also injured; turnips, perlve, or shall, ignorant, and without energy or thrift. A man whose mind is inactive and undeveloped, inevitably becomes stupid and sluggish. It is high time that this matter should receive most earnest attention.

Oue of the most successful remedles Let n law be passed, making it a part on a large scale is n mixture consisting One of the law be passed, making it a part of the duty of each public school teacher in a country school district to hold, on one evening in each week, at the district school house, a meeting of the older youth residing in the district, not which meeting he shall preside and deliver a short lecture on some interesting topic, scientific or otherwise, and shall arrange and conduct other exercises of an instructive character. To make such meetings attractive, a programme of about the following character might be observed:

1. Lecture of the teacher or some other person invited by him.

2. General conversation or dicussion upon the topic of the lecture.

3. Musile, vocal or instrumental, or both. It there should be musical talent. 3. Musle, vocal or instrumental, or tard are extremely nerid and occupy the both, if there should be muslcal talent soil to the exclusion of any more matri-

Kendall's Spavin Cure The most Successful Remedy ever discovered, as it is certain in its effects and do not blister. READ PHOOF BELUW.

From Rev. P. N. Granger. Presiding Elder of the St. Albans Dis't. ST. ALBANS, Vr., Jan. 20, 1880. St. Almans, Vt., Jan. 20, 1880.

Dr. R. J. Kendall & Ch.—Gents—In reply to your letter I will say that my experience with Kendall's Spayin Cane has been very suisfactory Indeed. Three or four years ago I procured a bottle of your agent, and with it, ented a norse of lameness caused by a spayin. Last season my horse became very lame and I turned bin out for a few weeks a ben he became better, but when I put bin on the road he grew worse, when I discovered that a ringbone was forming, I procured a bottle of Kendall's Spayin Care and with less than a bottle curred bin so that he is not laine, neither can the binich be found.

Respectfully yours, P. N. GRANGER.

Perseverance will Tell.

BY STOUGHTON, MASS., March 18, 1889.

B. J. Kendall & Dr.—GENTS—In justice to you and myself, I think I ought to let you know that I have removed two horse stravins with Kendall's Spavin Cure, one very large one; don't know how long the spavin had been there. I have ourned the horse eight months. It took no four months to take the large one oil, and to a for the small one. I have used in toothes. The horse is enlirely well, not at all still, and no bunch to be seen or felt. This is u wonderful medicine. It is a new thing here, but If it does for all what it has done for me, its sale will be very great.

Respectfully yours, CHAS, E. PARKER. Is sure bulls effects, tailed in its action, as it he sure in its effects, taild in its action, as it does not blister, and yet it is penetraling and powerful to reach any deep seated pain or to remove any hony growth or any other enargement. If used for several days, such as specius, splints, carbs, calions, sprains, swellings, any lameness and oil enforcements of the joints or limits, rhemmatism in man and for any purpose for which a liminent is used for man or beast. It is now known to be the best liminent for man ever used, full strength with perfect safety at all seasons of the year.

Send address for Illustrated Circular, which we think gives positive proof of its virtues. No remedy has ever net with such unqual-ited success, to our knowledge, for heast us by the proprietors.

"Kendall's Spavin ture" is now sold by all the leading wholesale druggists and a large number of prominent retail druggists. It. A. Homsson & Po., Agents, Louisville, Ky. Ayer's Hair Vigor, FOR RESTORING GRAY HAIR TO ITS

NATURAL VITALITY AND COLOR. Ir is a most agreeable dressing, which s at once haraless and effectual, for preserving the hair. It restores, with the gloss and freshbess of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and haldness often though not always cured. 11 checks falling of the hair hamedlately, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased and renders It pliable.

The Vigor cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping It cool, clean, and soft, nuder which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair, The Vigor is incomparable. It is colorless, contains neither oil nor dye, and will not soll white cambric. It imparts an agreeable and lasting perfume, and as an article for the tollet It Is economical and unsurpassed in its excellence.
